

ANNEXE 2

- Regulation of the UEFA Champions League

Regulations of the UEFA Champions League

2007/08

time. As a rule, the players remain on the field of play during this five-minute break, at the discretion of the referee.

Article 16

Kicks from the penalty mark

- 16.01 For matches played under the cup (knock-out) system (see 7.01) and the final (see 6.11), kicks from the penalty mark are taken in accordance with the procedure laid down in the *Laws of the Game* promulgated by the IFAB.
- 16.02 The referee decides which goal will be used for the kicks from the penalty mark:
- a) In particular, but without limitation, for reasons of safety/security, state of the field of play, lighting, etc., the referee may choose which goal will be used without tossing a coin. In this case, he is not required to justify his decision, which is final.
 - b) If he considers that both goals can be used for the kicks, then, in the presence of the two captains, he decides that the head side of the coin corresponds to one goal and the tail side to the other. He then tosses the coin to determine which goal will be used.
- 16.03 To ensure that the procedure is strictly observed, the referee is assisted by the assistant referees and the fourth official, who also note down the numbers of the players on each team who take kicks from the penalty mark. The assistant referees position themselves according to the diagram in the *Laws of the Game*.
- 16.04 If the taking of kicks from the penalty mark cannot be completed because of weather conditions or for other reasons beyond control, the results will be decided by the drawing of lots by the referee in the presence of the UEFA delegate and the two team captains.
- 16.05 If through the fault of a club, the taking of kicks from the penalty mark cannot be completed, paragraphs 9.02 to 9.04 of the present regulations shall apply.

VIII Player Eligibility

Article 17

General provisions

- 17.01 In order to be eligible to participate in the UEFA club competitions, players must be registered with UEFA within the requested deadlines to play for a club and fulfil all the conditions set out in the following provisions. Only eligible players can serve pending suspensions.
- 17.02 Each club is responsible for submitting an A list of players ("List A") and a B list of players ("List B"), duly signed, to its national association for verification, validation and forwarding to UEFA. These lists must include the name, date

of birth, shirt number and name, nationality and national registration date of all players to be fielded in the UEFA club competition in question.

- 17.03 The club bears the legal consequences for fielding a player who is not named on list A or B, or who is otherwise not eligible to play.
- 17.04 The UEFA administration decides on questions of player eligibility. Challenged decisions are dealt with by the Control and Disciplinary Body.
- 17.05 Players must be duly registered with the national association concerned in accordance with the national association's own rules and those of FIFA, notably the *FIFA Regulations for the Status and Transfer of Players*.
- 17.06 A player registered with one national association may only be registered with another national association once the latter has received the International Transfer Certificate from the national association that the player is leaving.
- 17.07 Excluding the three rounds of the UEFA Intertoto Cup and the UEFA Super Cup, and subject to paragraph 17.18 below, a player may not play UEFA club competition matches for more than one competing club in the course of the same season. A substitute player who is not fielded is entitled to play for another club competing in the same season's UEFA club competitions, provided that he is registered with the UEFA administration in accordance with the present Regulations.

Conditions for Registration: List A

- 17.08 No club may have more than 25 players on List A during the season. As a minimum, places 20 to 25 on List A (six places) are reserved exclusively for "locally trained players" and no club may have more than three "association-trained players" listed in places 20 to 25 on List A. List A must specify the six players who qualify as being "locally trained", as well as whether they are "club-trained" or "association-trained". The possible combinations that enable clubs to comply with the List A requirements are set out in Annex VIII.
- 17.09 A "locally trained player" is either a "club-trained player" or an "association-trained player".
- 17.10 A "club-trained player" is a player who – irrespective of his nationality and age – has been registered with his current club for a period, continuous or not, of three entire seasons (i.e. a period starting with the first official match of the relevant national championship and ending with the last official match of that relevant national championship) or of 36 months between the age of 15 (or the start of the season during which the player turns 15) and 21 (or the end of the season during which the player turns 21).
- 17.11 An "association-trained player" is a player who – irrespective of his nationality and age – has been registered with a club or with other clubs affiliated to the same national association as that of his current club for a period, continuous or not, of three entire seasons or of 36 months between the age of 15 (or the

start of the season during which the player turns 15) and 21 (or the end of the season during which the player turns 21).

- 17.12 If a club has fewer than six locally trained players in its squad (i.e. in places 20 to 25 on List A), then the maximum number of players on List A is reduced accordingly. Furthermore, if a club lists a player in places 20 to 25 on List A who does not fulfil the conditions set out in this article, that player is not eligible to participate for the club in the UEFA club competition(s) in question and the club is unable to replace him on List A.

Conditions for registration: List B

- 17.13 Each club is entitled to register an unlimited number of players on List B during the season.
- 17.14 A player may be registered on List B if he is born on or after 1 January 1986 and has been eligible to play for the club concerned for any uninterrupted period of two years since his 15th birthday by the time he is registered with UEFA.

Deadlines

- 17.15 The player lists have to be submitted to UEFA through the national association by the following fixed deadlines:
- a) 10 July 2007 (24.00 CET): for all matches in the first qualifying round;
 - b) 26 July 2007 (24.00 CET): for all matches in the second qualifying round;
 - c) 9 August 2007 (24.00 CET): for all matches in the third qualifying round;
 - d) 1 September 2007 (24.00 CET): for all further matches as from the first match in the group stage up to and including the final.
- 17.16 For the three UEFA Champions League qualifying rounds, the player lists may be amended at any time until 24.00 CET on the day before the relevant first-leg match, provided that the club's national association confirms in writing that the new players are eligible to play at domestic level by the respective above-mentioned qualifying date.

Subsequent registration

- 17.17 For all matches from the start of the first knockout round, a club may register a maximum of three new eligible players for the remaining matches in the current competition. Such registration must be completed by 1 February 2008 at the latest. This deadline cannot be extended.
- 17.18 One player from the above quota of three who has played UEFA club competition matches for another competing club in the current season may exceptionally be registered, provided that the player has not been fielded:
- in the same competition for another club
 - for another club that is currently in the same competition.

Furthermore, if the player's new club is playing in the UEFA Cup, his former club must not have played in the UEFA Cup at any point in the current season.

- 17.19 If the registration of such new players causes the authorised number of players on List A to exceed 25, the club must remove the necessary number of currently registered players to reduce the squad to 25 players again. If a club-trained player listed in places 20 to 25 on List A is removed, he must be replaced by another club-trained player; if an association-trained player listed in places 20 to 25 on List A is removed, he must be replaced by a club-trained player or by another association-trained player. Newly registered players must wear set numbers which have not yet been assigned.
- 17.20 If a club cannot count on the services of at least two goalkeepers registered on List A because of long-term injury or illness, the club concerned may temporarily replace the goalkeeper concerned and register a new goalkeeper at any time during the season and complete the official registration list A with a goalkeeper fit to be fielded. If the replaced goalkeeper was registered as a locally trained player, the new goalkeeper does not need to be a locally trained player. The club must provide UEFA with the necessary medical evidence. UEFA may require further medical examination of the goalkeeper by an expert appointed by UEFA at the cost of the club. Once the injured or ill goalkeeper is fit to be fielded again he can resume his position in place of his nominated substitute. The change must be announced to the UEFA administration 24 hours before the next match in which the goalkeeper is due to play.

Player numbers

- 17.21 From the first matchday in the group stage, all registered players, including those registered at a later stage, must wear set numbers between 1 and 99. No number may be used by more than one player and no player may use more than one number in the course of a season.

IX Kit

Article 18

UEFA Kit Regulations

- 18.01 The *UEFA Kit Regulations* (edition 2004) apply to any kit (sports equipment) used in the stadium during the entire competition, including the qualifying phase.

Kit approval procedure

- 18.02 Kit used by clubs that qualify for the group stage must be approved by the UEFA administration. Clubs involved in the third qualifying round and group stage must therefore submit samples of their first-choice, second-choice and any additional kit (shirt, shorts and socks) to the UEFA administration,
