

Conditions of Entry to Stadium (RVT¹)

Only visitors, who meet the i.e. RVT conditions, are allowed to enter the match:

1. Negative PCR test provided that no more than 72 hours have passed since the swab was taken or a negative rapid antigen test provided that no more than 48 hours have passed since the swab was taken
2. Certificate of the holder's COVID-19 vaccination, which confirms that:
 - at least seven days have passed since the second dose of the Comirnaty vaccine by Biontech/Pfizer,
 - at least 14 days have passed since the second dose of the COVID-19 vaccine by Moderna,
 - at least 21 days have passed since the first dose of the Vaxzevria (COVID-19 vaccine) by AstraZeneca,
 - at least 14 days have passed since the dose of the COVID-19 vaccine Janssen by Johnson & Johnson/Janssen-Cilag,
 - at least 21 days have passed since the first dose of the Covishield vaccine by the Serum Institute of India/AstraZeneca,
 - at least 14 days have passed since the second dose of the Sputnik V vaccine by Russia's Gamaleya National Centre of Epidemiology and Microbiology,
 - at least 14 days have passed since the second dose of the CoronaVac vaccine by Sinovac Biotech, or
 - at least 14 days have passed since the second dose of the COVID-19 vaccine by Sinopharm.

If a person is vaccinated with a combination of two different vaccines under point 3, protection is established after the second dose of a particular type of vaccine has been administered. If such a person is first vaccinated with the vaccine under indent three or five of point 3 (AstraZeneca vaccine), protection is established immediately after they receive the second dose if they are vaccinated for the second time with the vaccine under indent one of point 3 (Biontech/Pfizer vaccine) or indent two of point 3 (Moderna vaccine) and they receive the second dose within 4 to 12 weeks after the first dose.

¹ RVT condition stands for Recovered, Vaccinated, Tested

3. a certificate of vaccination for persons who have recovered from COVID-19 (a certificate of recovery and proof that the person has been vaccinated with one dose of a vaccine referred to in the preceding point within eight months of a positive PCR test result or the onset of symptoms). The following

combination shall be considered adequate proof: proof of vaccination with at least one dose and of a positive PCR test result, or proof of vaccination with at least one dose and a medical certificate of recovery from COVID-19.

For persons under the age of 15 are excluded from the RVT condition, if they are accompanied by parents or legal guardians. In case of their independent match participation, they must fulfil this condition.

Evidence is taken into account if they have been issued in an EU Member State or a Schengen Area country, Australia, Israel, Canada, New Zealand, the Russian Federation, Serbia, the United Kingdom of Great Britain and Northern Ireland, or the United States of America.

Masks are mandatory in all closed spaces and in open spaces or outside, if a distance of at least 1,5 metres is not maintained.
